Sebring's Carousel of Lights Illuminates Downtown Sebring

SEBRING, Fla. (December 1, 2011) - The area's largest Christmas lighting display can be seen at Sebring's Christmas Carousel of Lights located on the Circle in Downtown Sebring from 6-9 PM starting Dec. 3 and continuing through Christmas. Nightly visits with Santa are featured along with shows and other activities for the kids. Admission is free.

The mission of the CRA is to bring about the economic revitalization of an established target area. To create a re-investment environment that attracts private investors into the area. To promote improvements within the redevelopment area through renovation and restoration of buildings, as well as to encourage new construction. For more information, visit www.DowntownSebring.org.
