\*The mission of the CRA is to bring about the economic revitalization of an established target area and to eliminate slum and blighted conditions that exist within the redevelopment area. To create a re-investment environment that attracts private investors into the area. To promote improvements within the redevelopment area through renovation and restoration of buildings, as well as to encourage new construction. To acquire the funding necessary to make the infrastructure improvements needed to attract re-investment dollars and improve the assessed taxable value of district properties. To assist Merchants in their efforts to market the downtown businesses.
